STEWARDS' DECISION

From: The Stewards

To: Emil Frey Racing

The Stewards, having received a report from the Technical Delegate, summoned and heard from the competitor's representative(s), have considered the following matter and determine the following:

No. / Driver: 69 -

Competitor: Emil Frey Racing

Time: 09:25

Session: Qualifying 1

Fact: Car 69 over boost during one lap.

Offence: Breach of Article 507 of the GT World Challenge Europe powered by AWS 2025 Sporting Regulations

Decision: Cancel Lap 1

Reason: Data from car 69 showed that it overboost with 30mbar during his first flying lap. After having heard from the Technical Director, the Team Representative and the Manufacturer Representative, the Stewards understand that this fact was due to the car's adaptation to the circuit conditions and atmospheric pressure. The Stewards also accept that the fact was difficult to control from the team side, being Q1 the first session of the day. After considering this matter extensively, the Stewards agree that a breach of the regulations was committed and decided to cancel the lap where it happened.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
