BLANCPAIN GT SERIES
SPORTING NOTE #5 – 16/06/17

VALID :
2017 SEASON

GPS

In accordance with article 58 of the 2017 Blancpain GT Series Sporting Regulations, which states that : "Teams may be required to install data units for the purpose of transmitting GPS positioning data to the timekeeping system," it is noted that a number of teams, on request of the Official Timekeepers, will be installing such boxes for the means of evaluating and testing the GPS system.

No data from the GPS data units installed on a test basis may be used by the Officials of the Meeting to sanction teams. Likewise, no team may use any data from these units in any sporting matters with the Officials of the Meeting.
