

From The Stewards of the Meeting
To The Competitor's Representative
Black Falcon

Decision N° 26

The Stewards, having received a request from the Competitor, Black Falcon, have considered a request for a driver line-up change and consequent change of category for car #18.

The Stewards accept that, following the force majeure absence of initial driver Abdulaziz Al Faisal, and notwithstanding the subsequent intention to compete with just two drivers, it is now considered appropriate for a third driver to be nominated for car #18. In accordance with Article 41 of the Blancpain GT Series Regulations, and taking into consideration the Bronze driver's experience and potential safety concerns associated with the requirement for an extended drive time, the Stewards accept this as force majeure.

The driver line-up for car #18 is accepted by the Stewards as:

- Driver 1 - Gabriele Piana (Bronze)
- Driver 2 - Hubert Haupt (Silver)
- Driver 3 - Maro Engel (Platinum)

This driver line-up means that car #18 must move from the Pro-Am category to the Overall category for this event.

Maro Engel must complete driver's administrative and equipment checks and study the Race Director's briefing notes before participation in any track activity.
