

From The Stewards of the Meeting  
To All competitors and officials

Bulletin N° 07

The Stewards notify that after Q2, the Parc Fermé location will be in Team boxes except cars selected by the Technical Delegate for detailed examination. These selected cars must access the designated parc fermé behind garages 1 -2 - 3 through Box 2.

If selected cars are in the pit lane at the time of the chequered flag, they must be immediately pushed back along the pit lane to access to the designated parc fermé behind garages 1 -2 - 3 through Box 2. This push back must be completed before the start of the Lamborghini Super Trofeo Qualifying Practice.

After Race 1 and Race 2, Podium cars will be in parc fermé at the podium and will be moved under parc fermé conditions under the instruction and supervision of the Technical Delegate. All others will be in the designated parc fermé behind garages 1 -2 - 3 which must be accessed through Box 2.

After Race 1, irrespective of the time when parc fermé is opened, cars cannot be moved along the pit lane before pit exit is closed for the GT4 European Series Race 1. Cars must be moved before the start of that race (or after its completion).

All teams are reminded of the provisions of Article 214 of the BPGT 2018 Sporting Regulations.
