

From The Stewards of the Meeting

Decision N° 04

To GRT Grasser Racing Team

The Stewards, having received a report from the Race Director, having examined video images, summoned the competitor's representative and driver, have considered the following matter and determine the following:

No: #63

Competitor: GRT Grasser Racing Team

Driver: Christian Englehart

Time: After 14.37hrs and 25 seconds to end of race, 15 September 2018

Session: Race 1

Facts: Harness and FHR not secured in accordance with Regulations

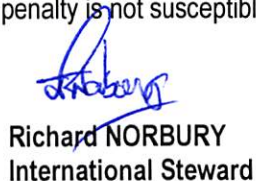

Offence: Breach of Article 120 of the Blancpain GT Series 2018 Sporting Regulations and ISC Appendix L Chapter III Article 3.2

Decision: Drive-through penalty converted to 30 seconds added to race time

Reason: Live TV footage captured by a driver-facing on-board camera showed driver Christian Englehart wearing a FHR over the shoulder straps of his harness. ISC Appendix L Chapter III Article 3.2, which references the *Guide and Installation Specification for HANS Devices in Racing Competition*, requires the HANS is under the shoulder straps. The driver was in acknowledged breach of this requirement. In so doing the driver prejudiced his own safety and breached the cited regulations.

The Competitor is advised that this penalty is not susceptible to appeal..
