Decision N° 07

To GRT Grasser Racing Team

The Stewards, having received a report from the Race Director, having examined video images, summoned the competitor's representative and driver, have considered the following matter and determine the following:

No: #63

Competitor: GRT Grasser Racing Team

Driver: Christian Englehart

Time: 15.10hrs, 15 September 2018

Session: Race 1

Facts: Harness not secured, gloves removed, no operating on-board safety camera, SD card of safety camera destroyed by driver.

Offence: 1) Driving car on track with harness unbuckled by as required by ISC Appendix L Chapter III Art 2
2) Failure to wear gloves as required by ISC Appendix L Chapter III Art 2
3) Failure to have operating Onboard Safety Camera throughout the race as required by Article 66 of the BPGT 2018 Sporting Regulations
4) Conduct prejudicial to the interests of the Competition as prohibited by Art 12.1.1.c of the ISC

Decision: In relation to offence 4) above, Car #63 is disqualified from the Event; a fine of €5,000; driver Christian Englehart to be referred to his licence-issuing ASN (DMSB) for any further sanction as they deem appropriate. No separate penalties are imposed in relation to offences 1, 2 and 3.

Reason: Live TV footage captured by a driver-facing on-board camera showed driver Christian Englehart's on-track actions after the chequered flag of Race 1. The driver was seen to have removed his glove, unbuckle his harness, remove the SD card from the driver facing Onboard Safety Camera and destroy it. Car #63 is therefore disqualified from the Event which means the Competitor may not take part in Race 2 and, on the basis of the significant new evidence available and noting the powers of the Stewards under Art 14 of the ISC, the Competitor is removed from the results of Race 1.

The Competitor is reminded of his right of appeal in accordance with Article 15 of the 2018 FIA International Sporting Code.
