TYRE LIMITATIONS FOR EVENTS WITH TWO ONE-HOUR RACES

Due to the 2019 calendar starting with an Endurance event, please note that the following paragraph should be added to article 29.10, to mirror that given in article 29.7 which applied when the season started with a Sprint round :

Teams entered in the full Blancpain GT Series and competing in the Silver, Am or Pro-Am categories may, at their first Sprint race of the season, choose between six new sets of tyres or four sets plus two sets of used tyres from Endurance Competitions. This choice must be made by the deadline of orders for the Sprint round in question.
