

From The Stewards of the Meeting  
To The Competitor  
AKKA ASP

Decision N° 01

The Stewards, having received a request from the Competitor, AKKA ASP, have considered a request for a driver, Timur Bogulavskiy, to arrive after the official time for drivers briefing due to having missed a flight connection in Moscow.

The Stewards recognise that the driver will be late for reasons of force majeure and instruct that Timur Bogulavskiy must be apprised of the full content of the Drivers' Briefing by the Team Manager.
