

BLANCPAIN GT SERIES

SPORTING NOTE #5 – 07/07/19

CLARIFICATION – FHR RESTRAINTS

VALID :

2019 SEASON

The requirement for drivers to wear a Frontal Head Restraint (FHR) system is set out in Article 26.7 of the 2019 Blancpain GT Series Sporting Regulations.

For the avoidance of doubt, the dispensation granted under Article 33.13 for the adjustment of safety harness belts does NOT extend to the positioning of belts in relation to the FHR. The driver must ensure that the harness and FHR are correctly positioned before leaving the working area and that the fitting of the harness and FHR meets the standards laid out in the International Sporting Code Appendix L Chapter III Article 3 at all times when the driver is seated in the vehicle either on track or moving in the pit lane.
