The Stewards, having received a report from Timing showing that competitor Boutsen Ginion - Car #9 - was not classified at the close of Qualifying.

It was determined that the team suffered problems during Qualifying which the Stewards are attributing to force majeure.

After considering a request from the team to start the race, the Stewards have granted that request. Car #9 must start at the back of the field, in the order it appears on the final Qualifying classification.
