FIA Driver Categorisation 2019

The Stewards are aware that drivers who appear on the temporary list of FIA Driver Categorisations which is valid until January 1st 2020 (i.e. those drivers who were entered into the categorisation list prior to the 2014 web platform) are required to submit a new driver categorisation request prior to January 1st 2020.

For the avoidance of doubt the Stewards confirm that should any such request have been submitted prior to this competition and resulted in a change of categorisation for the driver concerned, it will be the categorisation in accordance with the 2019 temporary list which will be considered as applicable for this competition.
