

**DECISION No: 1**

---

<b>From:</b>	The Stewards	<b>Date:</b>	7 August 2020
<b>To:</b>	# 4 - HRT	<b>Time:</b>	10:00 hrs

---

The Stewards, having received a request from the competitor representative Sean Paul Breslin to change the engine because of an incident during the testing session, have considered the following matter and determine the following:

**No. / Driver:** No. 4 / Maro Engel-Luca Stolz  
**Competitor:** HRT  
**Time (fact):** 14:00 hrs  
**Session:** Testing Session  
**Fact:** Irreparable Engine Damages  
**Offence:** Breach of Article 40 of the 2020 GT Challenge Europe powered by AWS Sporting Regulations  
**Decision:** **Allowance to replace the engine**  
**Reason:** The Stewards determine that the team is allowed to replace the damaged engine with another because the official session haven't started yet and scrutineering is still going on. The team has to take the new engine to scrutineering for technical checks. The Stewards decided that no penalty will be imposed

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
