From The Stewards of the Meeting **Decision N° 33**
To The Competitor's Representative
Team WRT

The Stewards have received an incident report from the competitor number 33 Team WRT regarding the start of the Main Race. The Stewards have heard from the competitor and have considered official camera footage and on-board camera footage and have also considered data from both cars in the presence of the Blancpain GT Series Technical Director. The Stewards decision is below:

Decision: The Stewards conclude that there is no clear evidence of a jump start offence having been committed by car number 58. No compelling video evidence of a jump start has been seen and the data clearly demonstrates that car 33 was the first to apply full throttle and the first to increase RPM. The Stewards therefore decide to take no further action in relation to this matter.

The competitor was granted a hearing before the decision. He is reminded of his right of appeal.
