

DECISION No: 61

From: The Stewards	Date: 28 August 2020
To: Car n° 15 – Tech 1 Racing	Time: 21:00 hrs

The Stewards, have received a petition from Tech 1 Racing for them to review, in accordance with Article 14.1.1 of the FIA International Sporting Code, the following decisions made by them at the 2020 GT Challenge Europe competition held at Imola, July 24-26, 2020.

Decision No. 48	Competitor: Tech 1 Racing	Penalty: Drive Through
Decision No. 52	Competitor: Tech 1 Racing	Penalty: Drive Through converted to 30 Seconds time penalty

The Stewards, having examined the petition from the competitor, determine the following:

Decision: There is a significant and relevant new element which was unavailable to the parties seeking the review at the time of the decision concerned.

The stewards therefore decide to cancel decision n° 52 – Drive Through converted to 30 seconds time penalty. The final classification will be adapted.

Reason: The Race Director has submitted a report notifying an error in terms of duplication of the incident report regarding the collision which led to car 15 receiving the penalties in question. It appears from this that car 15 may have been penalised twice for the same incident. This information was not available to the competitor at the time of the decisions and is considered to be both significant and relevant. The Stewards therefore determine that the petition for review meets the criteria specified in Article 14.1.1 of the FIA International Sporting Code.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 14.3 of the FIA International Sporting Code within the applicable time limits.
