

DECISION No: 04

From: The Stewards Date: 11th September 2020
To: CHAB Evolution Time: 21:30 hrs

The Stewards, having received a request from the Competitor, have considered the following matter and determine the following:

No. / Driver: 108 / Hugo Chevalier & Pierre Alexandre Jean

Competitor: CHAB Evolution

Session: Official Paid Test Session

Fact: The competitor has requested that the car 108 replaced with another of the same type due to major fire damage during the above session. The competitor also requests that hardship laps be authorised to check the new car.

Offence: Breach of Article 40 of the GT Challenge Europe Sporting Regulations

Decision: **(i) The car 108 may be changed without penalty, subject to scrutineering checks.
(ii) Following scrutineering checks, a single hardship lap is authorised for car 108 at 08:15hrs on Saturday 12th September 2020. The car must be ready at pit exit at 08:15 hrs and is permitted to undertake a single lap from pit out to pit in without crossing the timing line.**

Reason: Car 108 suffered major fire damage during the official paid test session which, in accordance with Article 30.2 of the GT Challenge Europe Sporting Regulations, is not considered as part of the event. This took place before the start of any competition track sessions and the Stewards therefore permit the change of car without penalty. In accordance with Article 30.8, only a single hardship lap is authorised for the new car.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
