

DECISION No: 01

From: The Stewards Date: 25th September 2020
To: ERC Sport Time: 13:50 hrs

The Stewards, having received a report from the Race Director, having summoned and heard from the competitor's representative, have considered the following matter and determine the following:

No. : 18
Competitor: ERC Sport
Session: Free Practice
Fact: The driver facing camera did not record any images during Free Practice
Offence: Breach of Article 19.7 of the GT Challenge Europe Sporting Regulations
Decision: Reprimand
Reason: There were no images recorded by the driver facing camera of car 18 during Free Practice. The Stewards have summoned and heard from the competitor's representative, who asserts that the camera was switched on and its operation checked at the start of the session and points out that the SD card is sealed in the camera and cannot be checked by the team. The Stewards consider that the Sporting Regulations place the responsibility for the operation of the camera on the competitor but, noting the competitor's comments and that this is the first such offence, impose a Reprimand in this instance.

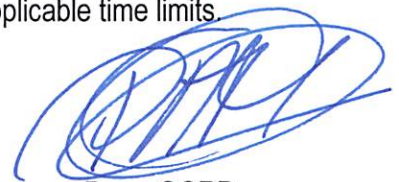

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
