

DECISION No: 10

---

**From:** The Stewards **Date:** 26<sup>th</sup> September 2020  
**To:** Madpanda Motorsport **Time:** 12:55 hrs

---

The Stewards, having received a report from the Race Director, having examined video evidence, summoned and heard from the competitor's representative, have considered the following matter and determine the following:

**No.:** 90  
**Competitor:** Madpanda Motorsport  
**Session:** Race 1  
**Fact:** A wheel was not correctly laid flat on the ground during the tyre change  
**Offence:** Breach of Article 38.1 of the GT Challenge Europe Sporting Regulations  
**Decision:** Reprimand  
**Reason:** A wheel removed from car 90 during the in-race tyre change was allowed to move when being placed flat on the ground near the car. Having examined video footage taken by the pit lane marshal and having heard from the competitor's representative, it is accepted by the competitor that this was a breach of the above regulation. Noting that the uncontrolled movement of the wheel was minor and did not give rise to any other safety incident, the Stewards impose a Reprimand for this first offence.

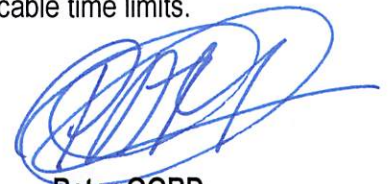

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
