

**DECISION No: 11**

---

**From:** The Stewards **Date:** 10<sup>th</sup> October 2020  
**To:** SPS automotive performance **Time:** 12:10 hrs

---

The Stewards, having received a report from the Race Director, having summoned and heard from the competitor's representative, have considered the following matter and determine the following:

**No.:** 20  
**Competitor:** SPS automotive performance  
**Session:** Pre-Qualifying  
**Fact:** The pit gantry camera for car 20 was not working correctly during Pre-Qualifying, there being no images recorded.  
**Offence:** Breach of Article 19.6 and Appendix 10 of the GT Challenge Europe Sporting Regulations  
**Decision:** Reprimand  
**Reason:** No images were recorded on the pit gantry camera of car 20 during Pre-Qualifying. The Stewards consider that the regulations are clear that cameras must be working during all sessions and determine that this represents a breach of the articles above. However, having heard from the competitor's representative who accepts that the camera was not switched on, the Stewards acknowledge that the Race Director's briefing notes make reference only to the gantry cameras being on during Qualifying and the Races, and impose only a Reprimand in this case.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
