LOG NR 77

DECISION No: 40

From: The Stewards
To: HTP Motorsport

Date: 22nd October 2020
Time: 22:50 hrs

The Stewards, having received a request from the Competitor, have considered the following matter and determine the following:

No. / Driver: 84 / Russell Ward

Competitor: HTP Motorsport

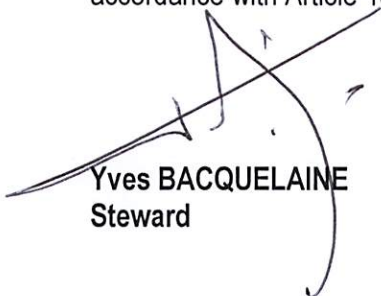

Fact: The competitor has requested the driver be permitted to take part in the race having been unable to complete the minimum number of laps in Night Practice.

Regulation: Article 41.5b) of the GT Challenge Europe Sporting Regulations

Decision: **The request is agreed and the driver may take part in the race.**

Reason: The driver was unable to complete the minimum number of laps in Night Practice due to repairs necessary to the car, which the Stewards accept as being a case of force majeure. The Stewards are satisfied that the driver has set suitable times in previous sessions and has appropriate experience of night racing. They therefore authorise the driver to participate in the race.

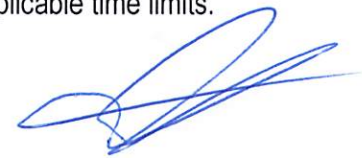

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
