

BULLETIN No. 04

From: The Stewards
To: All Competitors
All Officials

Date: 15th April 2021
Time: 17:15 hrs

The Stewards notify all competitors and officials of the following:

Refuelling Connection Time Restrictions and Penalties

In accordance with Articles 20.1 and 20.2 of the Fanatec GT Challenge Europe powered by AWS Sporting Regulations, there will be a restriction on the length of refuelling (i.e. the time that the fuel nozzle is connected to the car) during each of the mandatory pit stops in the race at this competition. This restriction is confirmed below and is in accordance with the Balance of Performance applicable to this competition.

For each mandatory pit stop: The minimum refuelling connection time, for all cars, is 40 seconds.

There is a one-second tolerance on the minimum refuelling connection time, which may be used once during the race, in accordance with Article 20.1 of the above regulations.

There are no time restrictions on any non-mandatory pit stops.

Penalties: The penalties for any car which fails to abide by the above minimum refuelling connection time, will be as follows:

1 st offence:	A stop-and-go penalty
2 nd offence:	A 30-seconds stop-and-go penalty
