

**DECISION No: 03**

<b>From:</b>	The Stewards	<b>Date:</b>	15 <sup>th</sup> April 2021
<b>To:</b>	HRT	<b>Time:</b>	18:30 hrs

The Stewards, having received a request from the competitor and, having heard from the competitor's representative, have considered the following matter and determine the following:

**No. / Driver:** 5 / Hubert Haupt – Ricardo Sanchez – Patrick Asseheimer

**Competitor:** HRT

**Session:** Official Paid Test Session

**Fact:** The competitor has notified that the car 5 is being replaced with another of the same type due to accident damage incurred during the above session. They also request that, due to the amount of work required on the replacement car, they be allowed to attend technical scrutineering at a later time than that scheduled in the Scrutineering Timetable.

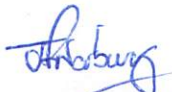

**Offence:** Breach of Articles 40 and 26.10 of the Fanatec GT Challenge Europe powered by AWS Sporting Regulations

**Decision:**

- (i) Car 5 may be changed, subject to successful completion of technical scrutineering checks.
- (ii) Car 5 may be presented for technical scrutineering at 20:00hrs on Friday 16<sup>th</sup> April 2021.
- (iii) There will be no penalty in relation to either points (i) or (ii) above.

**Reason:** Car 5 suffered accident damage during the official paid test session which, in accordance with Article 30.3 of the Fanatec GT Challenge Europe powered by AWS Sporting Regulations, is not considered to be part of the event. As this took place before the start of any the competition track sessions, the Stewards permit the change of car without penalty. In accordance with Article 26.10 of the regulations, the Stewards are also satisfied that the special circumstances in this case justify authorisation of technical scrutineering at a later time than that scheduled in the Scrutineering Timetable.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
