

BULLETIN No. 09

From: The Stewards
To: All Competitors
All Officials

Date: 17th April 2021
Time: 09:25 hrs

The Stewards notify all competitors and officials of the following:

Fuel Control:

After each session (Practice, Pre-Qualifying, Qualifying, Race) the Scrutineers will take fuel samples from a number of cars selected at random.

Where there is no Parc Fermé after the session, any car signalled to enter the scrutineering area on entering the pit lane must follow the instructions of the officials.

As analysis of fuel samples will be undertaken after the end of the event, all classifications will be published subject to the results of that analysis.
