

DECISION No: 01

From: The Stewards **Date:** 28th May 2021
To: Team WRT **Time:** 08:00 hrs

The Stewards, having received a request from the Competitor, have considered the following matter and determine the following:

No. / Driver: 32 / Charles Weerts

Competitor: Team WRT

Fact: The driver is unable to arrive in time for scheduled administrative checks

Offence: Breach of Article 23.1 of the Fanatec GT Challenge Europe powered by AWS Sporting Regulations

Decision: **The late arrival of the driver is accepted in this instance. The competitor must submit all required administrative documentation at the scheduled times and ensure that any necessary updates are then submitted at the earliest opportunity once the driver has arrived and, in any event, before the driver takes part in any on-track activity.**

Reason: The driver is unable to arrive at the event in time for scheduled administrative tests due to personal reasons which the Stewards accept as being a case of force majeure. The Stewards note that the driver's documents have been checked at previous events, that copies are held by the Organisers and that the originals are held by the competitor and available for checking. The late arrival of the driver is therefore accepted in this instance without penalty.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
