

SPORTING NOTE 5

WET WEATHER TYRES

In accordance with article 29.1 of the 2021 Sporting Regulations, which states : "only one type (specification and dimensions) of dry-weather tyre and one type of wet-weather tyre will be registered per car", all Competitors are informed that in accordance with Pirelli technical bulletin SROGT_210603, a revised product for use in wet conditions will be introduced, with a WHA label and the following description:

- 315/680-18 WHA
- 325/705-18 WHA

Starting at the 2021 edition of the TotalEnergies 24 Hours of Spa, this will be the only tyre that may be used by any competitor for wet conditions in the Fanatec GT World Challenge Europe powered by AWS and Intercontinental GT World Challenge powered by Pirelli events.

The **WH** tyres will no longer be authorised for use.

Signed by the Sporting Board.
