STEWARDS
LOG NR 44

DECISION No: 25

From: The Stewards **Date:** 29 July 2021
To: Herberth Motorsport No. 911 **Time:** 18:40 hrs

The Stewards, having received a request from the team for a hardship lap and, having reviewed the exceptional circumstances underlying the request, considered the matter and determine the following:

No. / Driver: No. 911 Drivers: A. Renauer, Au, Allemann, R. Renauer

Competitor: Herberth Motorsport

Fact: Request for a hardship lap, due to mechanical repairs necessary after the previous session.

Sporting Regulations Citation: 30.8

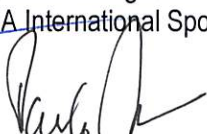

Decision: The Stewards have agreed to permit the competitor to complete a single hardship lap, from Pit Out to Pit In, without crossing the Control Line.

The hardship lap will take place at approximately 19:25. The Competitor will be called to begin the hardship lap over the radio by the Race Director, at the conclusion of the TC France session.

Reason: The exceptional circumstances leading to the request meet the criteria outlined in Sporting Regulations Article 30.8

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
