### DECISION No: 44

**From:** The Stewards

**Date:** 31 July 2021

**To:** EMB Giga Racing No. 61

**Time:** 14:30 hrs

The Stewards, having received notice of withdrawal of one of the drivers of the No. 61 EMB Giga Racing car – Adrian D’Silva - due to force majeure, and having received a request from the team offering a replacement driver, have considered the following matter and determine the following:

As Qualifying has concluded, the nominated replacement driver has not set a time in Qualifying, nor did he set any times in Free Practice 1 or 2.

The Series, through the SRO Sporting Department and the Race Director, have reviewed the qualifications of the nominated replacement driver, Wolfgang Triller. All parties agree that the driver is qualified and can be serve as a replacement driver in the No. 61 car, raising no objections to his participation as a driver.

The Stewards, aware of the force majeure matter that caused the original driver’s withdrawal, grant the application by the team to substitute Mr. Triller for the original driver.

The Sporting Regulations Article 41.5 specify conditions for Qualifying in the event that a driver does not participate. The starting position of the No. 61 car will be re-calculated according to the procedures set out in Article 41.5, as if the nominated driver had not set a time in Qualifying.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
