Note from: RACE DIRECTOR

To: COMPETITORS OF CARS: 00-56-84-85-86-88

Following the decisions N: 69-72-74-76-78 and 80 of the panel of the Stewards

Before the end of the first 30 minutes of the race, all cars concerned have to perform the stop and go penalty in front of their own pit garage. This pit stop may not take place during a safety car or full course yellow procedure. In this case, the time will be extended and given by radio and on the monitors.

The total time pit in to pit out must not be under 6 minutes and 12 seconds.

No other intervention can take place on the car except the external battery according to the regulations.

THIS PIT STOP WILL NOT COUNT AS THE MANDATORY TECHNICAL PIT STOP AND DOES NOT RESET THE STINT TIME .
