

DECISION No: 01

From: The Stewards

Date: 7th October 2021

To: Iron Lynx

Time: 16:30 hrs

The Stewards, having received a request from the Competitor and having heard from the competitor's representative, have considered the following matter and determine the following:

No. / Driver: 83 / Sarah Bovy – Doriane Pin – Michelle Gatting

Competitor: Iron Lynx

Session: Free Practice and Pre-Qualifying

Fact: The used tyres for car 83 have been disposed of by mistake so are not available for use in the above sessions

Offence: Breach of Article 29.7 of the Fanatec GT Challenge Europe powered by AWS Sporting Regulations

Decision: **For Free Practice and Pre-Qualifying, car 83 may use two sets of tyres which were used by other cars at previous competitions of the Series**

Reason: The competitor has disposed of the used tyres from car 83 as this car was not, at that time, expected to take part at this competition. This means that there are no used tyres available for this car from previous competitions for use in Free Practice and Pre-Qualifying, as required by Article 29.7 of the Sporting Regulations. The Stewards therefore agree that car 83 may use two sets of tyres which were used by other cars at previous competitions of the Series to enable to it take part in Free Practice and Pre-Qualifying. In making this decision, they take into account that it is unlikely that any selection of such tyres will provide an optimal set, and that no competitive advantage will be gained by car 83.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
