

DECISION No: 04

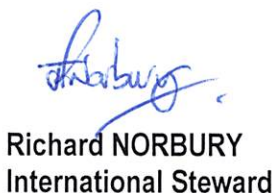

From: The Stewards **Date:** 9th October 2021
To: Boutsen Ginion Racing **Time:** 08:50 hrs

The Stewards, having received a request from the Competitor and having summoned and heard from the competitor's representative, have considered the following matter and determine the following:

- No. / Driver:** 10 / Jens Liebhauser – Karim Ojeh – Jens Klingmann
Competitor: Boutsen Ginion Racing
Session: Free Practice
Fact: As a result of damage to one tyre during fitting, the competitor has requested permission to carry over an additional set of tyres from the Spa event for use during Free Practice at this competition.
Offence: Breach of Article 29.7 and 29.8 of the Fanatec GT Challenge Europe powered by AWS Sporting Regulations
Decision: **The competitor's request to carry over an additional full set of tyres is denied but permission is given for one single additional tyre from Spa to be carried over to replace the damaged tyre. (For the avoidance of doubt, this will not constitute the joker tyre for this competition as permitted by Article 29.5.)**
Reason: The competitor has requested permission for an additional set of tyres for car 10 to be carried over from the Spa event (above the two sets permitted by Article 29.8) due to damage to one tyre during fitting. Having heard from the competitor's representative, and having consulted the Pirelli representative, the Stewards accept that a tyre has been damaged but do not consider there to be justification to replace the full set. The competitor's request is therefore denied, but permission is given to carry over a single additional tyre from the Spa event to replace the damaged tyre.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
