

DECISION No: 11

From: The Stewards

Date: 9th October 2021

To: Iron Lynx

Time: 12:30 hrs

The Stewards, having received a report from the Race Director, having examined video evidence, summoned and heard from the driver and the competitor's representative, have considered the following matter and determine the following:

No. / Driver: 83 / Doriane Pin

Competitor: Iron Lynx

Time (fact): 10:10 hrs

Session: Free Practice

Fact: The driver did not have their frontal head restraint correctly positioned under the harness shoulder straps

Offence: Breach of Article 3.2 of the FIA International Sporting Code Appendix L Chapter III.

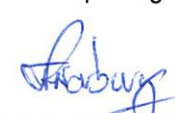

Decision: **Fine of €500 and 1 Behaviour Warning Point**

Reason: The driver did not correctly position the FHR under the shoulder straps before leaving their working area and this remained the case throughout their driving stint. Having heard from the driver and the competitor's representative, and having viewed on-board video evidence, this is determined to be a breach of the above regulations. The Stewards note that no competitive advantage was gained during Free Practice but consider this to be a serious safety matter. They therefore impose a financial penalty and a BWP.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
