

BULLETIN No. 02

From: The Stewards
To: All Competitors
All Officials

Date: 1st April 2022
Time: 08:30 hrs

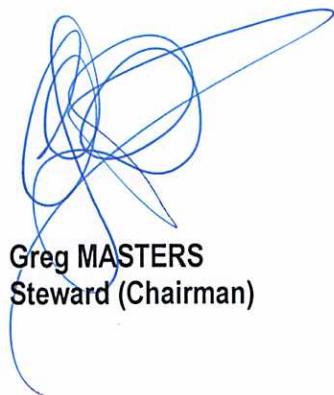

The Stewards notify all competitors and officials of the following:

Tyres for the Bronze Test.

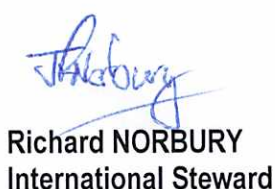

Article 30.6 of the Fanatec GT World Challenge Europe Sporting Regulations requires that tyres used during the Bronze Test must be either new tyres or used tyres registered at a previous Fanatec GT Challenge Europe powered by AWS competition.

As this is the first competition of the 2022 season, and noting the principle established in Article 29.14 in relation to tyres which may be used during the first paid test of the season, **the Stewards exceptionally authorise used tyres from the paid test session at this event to be used during the Bronze Test at this event.**

Competitors are reminded that in accordance with Article 30.6, any dry-weather tyres used in the Bronze Test cannot be used in any other session during this event or be registered as carryover tyres for subsequent events.
