

From The Stewards of the Meeting
To The Competitor
Loris CABIROU (by e-mail)

Decision N° 37

The Stewards, having received a report from the Technical Delegate in respect of the Competitor Loris CABIROU and having summoned and heard from the Competitor's representative (Summons No 8) have considered the following matter, determine the following:

Driver and car No: Mike Parisey/Loris Cabirou/Nicolas Gomar #8

Competitor: Loris CABIROU

Time (fact): 15.45hrs

Session: Pre-Qualification

Fact: Incomplete data capture

Offence: Breach of Articles 19.1 and 27 of the Fanatec World Challenge Europe 2022 Sporting Regulations

Decision: All times set by car #8 in the Pre-Qualification session are deleted.

Reason: The Technical Delegate has submitted Report No 6 in which it is noted "...the recorded data is incomplete...". The Steward determine this to be a breach of Article 27.6 of the Fanatec World Challenge Europe 2022 Sporting Regulations. The cause of the incomplete data capture is rooted in the Competitor's configuration of the data logger and the Stewards are satisfied that the cause of the failure is in no part due to Memotec GmbH.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
