

SPORTING NOTE #4 – 29/04/2022

RAIN LIGHTS

Teams are informed that, due to supply issues concerning rain lights according to the FIA Standard 8874-2019 (Technical list n°76) for some GT3 models, the use of rain lights according to ECE R38 road standard (or an equivalent or stricter standard from another country), or approved by the FIA (Technical List n°19) will be authorised for the Brands Hatch and Magny-Cours rounds of the Fanatec GT Challenge Europe powered by AWS.
