

DECISION No: 46

From: The Stewards

Date: 5th June 2022

To: Iron Lynx

Time: 01:40 hrs

The Stewards, having received a report from the Race Director, having examined video evidence, summoned and heard from the driver 88 and both competitor's representatives, have considered the following matter and determine the following:

No. / Driver: 51 / Miguel Molina**Competitor:** Iron Lynx**Time (fact):** 23:53 hrs**Session:** Race**Fact:** Alleged overtaking off track by car 51**Offence:** Breach of Article 33.10 of the Fanatec GT Challenge Europe powered by AWS Sporting Regulations and Article 2 c) of the FIA International Sporting Code Appendix L Chapter IV.**Decision:** **No further action****Reason:** It was reported that car 51 had overtaken car 88 whilst outside the track limits at turn 10. The Stewards summoned both drivers and competitors' representatives but driver 51 was unavailable due to a flight commitment. Having heard from the other summoned parties, and having viewed in car footage from car 88, the Stewards note that both drivers were outside the track limits and consider that no significant advantage was gained by car 51 as 51 was slightly ahead of 88 before they both left the track. They therefore determine that no further action is appropriate in this instance.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
