

DECISION No: 47

From: The Stewards **Date:** 5th June 2022
To: Team WRT **Time:** 01:50 hrs

The Stewards, having received a report from the Timekeepers, having examined timekeeping data, summoned and heard from the driver and the competitor's representative, have considered the following matter and determine the following:

No. / Driver: 31 / Diego Menchaca
Competitor: Team WRT
Session: Race
Fact: The driver exceeded the total maximum driving time
Offence: Breach of Article 20.4 of the Fanatec GT Challenge Europe powered by AWS Sporting Regulations
Decision: **No further action**
Reason: The driver's total driving time during the race was 3:04:07.280, exceeding the maximum permitted time of 2 hours 20 minutes. However, the Stewards were previously informed in writing by the competitor that this would occur due the illness of one of their other drivers after their first stint. The Stewards have also received written medical evidence confirming that the other driver should not take any further part in the race. Noting that this occurred after the start of the race, the Stewards consider this to be a case of force majeure as provided for within the above regulation. Further noting that all drivers of car 31 are Silver graded, the Stewards determine that no further action is appropriate in this instance.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
