

**DECISION No: 05**

---

**From:** The Stewards **Date:** 17 June 2022  
**To:** Team WRT **Time:** 14:10 hrs

---

The Stewards, having received a request from the competitor's representative, and having summoned and heard from the Competitor's Representative, considered the following matter and determine the following:

**No. / Driver:** 46 / Valentino Rossi & Frédéric Vervisch  
**Competitor:** Team WRT  
**Time (fact):** After Free Practice  
**Session:** Qualifying and the races.  
**Fact:** The competitor has replaced the chassis of car 46.  
**Regulation:** Article 40 of the Fanatec GTWC Europe powered by AWS Sporting Regulations  
**Decision:** **Permission granted. No further action necessary.**  
**Reason:** The chassis of car 46 sustained damage following an incident in Free Practice. The team requested permission to change the car (chassis and engine) for the remainder of the event. Having heard from the competitor's representative, this is accepted as being a clear breach of the above regulation. The Stewards note that this request and change took place before official qualifying and therefore impose no penalty.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
