**Decision N° 6**

**Date:** 02 July 2022  
**Time:** 13:48

The Stewards have received a request from the competitor, having summoned and heard from the Competitor's representative, have considered the following matter and determine the following:

**Driver and car No:** Valentino Rossi & Frédéric Vervisch

**Competitor:** Team WRT

**Time (fact):** 12.55hrs

**Session:** After Qualifying 1

**Fact:** The Competitor has requested one new tyre to be issued (in addition to a joker tyre which has been issued)

**Offence:** Article 29.5 c) of Fanatec World Challenge Europe 2022 Sporting Regulations (the Regulations)

**Decision:** The Competitor is authorised to exchange one usable tyre for one new tyre which must be used by the starting driver in Race 1. No further penalty is issued.

**Reason:** The Stewards summoned and heard from the Team Representative of the Competitor.

The Team Representative confirmed that car #46 destroyed two tyres during Qualifying 1 and Pirelli has confirmed that these tyres should not be used. The Stewards viewed on-board video from car #46 in which it was noted that another car, contrary to the instructions in the Drivers' Briefing was slow on the apex of T13 and #46 was forced to avoid this car causing the subsequent spin.

The Competitor has obtained one replacement joker tyre in accordance with the Regulations and has requested one further tyre in accordance with the above.

The Stewards, noting that the tyres in this case have been confirmed as being beyond use, authorise the exchange of one further tyre for a new one. In making this decision, the Stewards have reminded themselves of Decision 13 issued at Magny-Cours on 14<sup>th</sup> May 2022 and the final sentence of the Reason therein.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting, within the applicable time limits.
