Bulletin N° 8

Date: 15 September 2022
Time: 16:25

The Stewards notify all competitors and officials of the following:

In accordance with Article 19.15 of the Fanatec GT Challenge Europe powered by AWS Sporting Regulations 2022, the Promoter will require Team Akkodis to install an additional live camera on Car #89 during Free Practice **ONLY**. This is to aid the Promoter in collecting data for the track limit system.

The installation will be effected/supervised by Johnny Greenwood on behalf of the Promoter.

Bulletin – 15/09/2022

Fanatec GT World Challenge Europe Powered By AWS

19.15

Teams will be required to install equipment for the purpose of detecting track limits. This equipment will be provided to the Teams, who must install it according to the instructions given. Once the equipment is installed in all cars, and the data from the system has been approved by the Promoter, the data will be used as a basis for penalizing Competitors.

In accordance with Article 19.15, The Promoter will require Team Akkodis to run an additional live camera attached to Car #89 during Free Practice 1 **ONLY**.

This is to aid the Promoter in collecting data for the track limit system.
