

DECISION No: 10

From: The Stewards **Date:** 1st October 2022
To: Vincenzo Sospiri Racing **Time:** 12:05 hrs

The Stewards, having received a report from the Race Director, having examined SD card evidence, summoned and heard from the competitor's representative, have considered the following matter and determine the following:

No. / Driver: 563 / Michele Beretta – Yuki Nemoto – Benjamin Hites
Competitor: Vincenzo Sospiri Racing
Time: 10:13 hrs
Session: Free Practice
Fact: The car controller for car 563 was not wearing a yellow armband
Offence: Breach of Article 12.4 of the Fanatec GT Challenge Europe powered by AWS Sporting Regulations
Decision: **Fine of €100**
Reason: The car controller for car 563 was wearing a red armband instead of a yellow armband. Having heard from the competitor's representative, it is understood that the nominated car controller was not ready and a mechanic released the car instead. It is accepted that this is a breach of the above regulations and the Stewards, noting that no competitive advantage was gained, impose a fine of €100 on the competitor in this instance.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
