SECOND GROUP

Once the listed cars from GT2, GT3 and GT4 have exited the pits, the remaining cars from each category will also be instructed to leave. They will form lines behind the leading car.

All cars will be stopped after Turn 11 (Parabolica) and from there please follow further instructions from SRO staff.

Drivers must park their cars and return to the box. The pit lane must be completely empty.

AFTER THE PHOTOSHOOT

Once instructed (target 19:30 at latest): GT3 cars should return to their pit lane, either being pushed or towed by the mechanics, the pitwall doors will be opened.

GT4 & GT2 cars will reform behind the safety car and return to their paddock.

Thank you for your patience and assistance in this matter.
