Decision N° 8

Date: 21 April 2023
Time: 19:36

The Stewards have received a report that Garage 59 car #188 took part in the Bronze Test when the car was not entered for that session:

Driver and car No: Miguel Ramos #188

Competitor: Garage 59

Time (fact): 17.00hrs

Session: Bronze Test

Fact: Car undertook Bronze Test when not entered

Offence: Breach of Article 11.3 g of Fanatec World Challenge Europe 2023 Sporting Regulations

Decision: Fine of €500

Reason: The Stewards summoned and heard from the Representative of the Competitor.

The Stewards were advised that the Competitor had fully intended to enter Car #188 in the Bronze Test for this Event but a miscommunication between personnel within the Team meant that the Entry Form had been completed by not submitted. Documentary evidence to support this was tabled. The Competitor, immediately after the Session, has corrected its error and submitted and paid for its Entry. The Stewards note that whilst this is a breach of the Regulations, there was no competitive advantage gained and determine that a fine is an appropriate sanction in this case.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting, within the applicable time limits.
