

DECISION No: 19

From: The Stewards **Date:** 13th May 2023
To: Nova Race Events SRL **Time:** 14:58 hrs

The Stewards, having received a report from the Race Director, having examined timekeeping GPS evidence, summoned and heard from the driver and the competitor's representative, have considered the following matter and determine the following:

No. / Driver: 28 / Jacopo Guidetti
Competitor: Nova Race Events SRL
Time (fact): 13:43 hrs
Session: Pre-Qualifying
Fact: The driver did not comply with the Race Director's instructions to remain at 80 kph during a lap to return to the pitlane.
Offence: Breach of Article 12.2.1.i of the FIA International Sporting Code
Decision: **Reprimand**
Reason: Car 28 was at the pit lane exit while the session was under red flag and, when the remainder of the session was cancelled, was instructed to complete a slow lap at 80 kph to re-enter the pitlane. Timekeeping data shows that car 28 significantly exceeded 80 kph during the first part of the lap. Having heard from the driver and the competitor's representative, the driver explains that he did not receive the 80 kph instruction, that no flags were being shown but accepts that a red light was being displayed on his in-car light system. The Stewards consider this to be a breach of the above regulations but accept the driver's explanation and impose only a Reprimand in this instance.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
