

**DECISION No: 26**

<b>From:</b>	The Stewards	<b>Date:</b>	14 <sup>th</sup> May 2023
<b>To:</b>	JP Motorsport	<b>Time:</b>	12:35 hrs

The Stewards, having received a report from the Race Director, having examined video evidence, summoned and heard from the competitor's representative, have considered the following matter and determine the following:

**No. / Driver:** 111 / Christian Klein & Dean MacDonald

**Competitor:** JP Motorsport

**Time (fact):** 11:28 hrs

**Session:** Race 1

**Fact:** Car 111 did not change all four tyres during the mandatory pit stop.

**Offence:** Breach of Article 20.5.1 c) of the Fanatec GT Challenge Europe powered by AWS Sporting Regulations

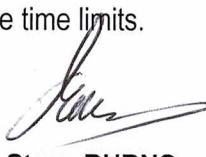

**Decision:** **10-seconds time penalty added to the elapsed race time of car 111**

**Reason:** Car 111 only changed three tyres during the mandatory pit stop. Having viewed video evidence and having heard from the competitor's representative, the competitor explains that the left rear wheel nut was stripped and could not be removed. The Stewards have seen evidence of this and note that the team made efforts to remove the wheel during the pit stop, resulting in a lengthy stop for car 111. It is accepted by the competitor that this is a clear breach of the above regulation and, taking into account the particular circumstances of this case, the Stewards impose a 10-seconds time penalty.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
