Decision N° 253

Date: 02 July 2023
Time: 15:39

The Stewards having received a report from the Race Director, have considered the following matter and determine the following:

Driver and car No: N/A #99

Competitor: Tresor Attempto Racing

Time (fact): 6.30hrs 02/07/2023

Session: Race

Fact: Driver Pietro Delli Ganti exceeded the continuous driving period. The Competitor alleged false proofs to avoid the sanction.

Offence: Breach of Article 20.3.2 of the Fanatec World Challenge Europe 2023 Sporting Regulations and Article 12.2.1 c) and 12.2.1 l) of the International Sporting Code.

Decision: Fine of 20 000€ (twenty thousand euros).

Reason: The Stewards received a report from the Race Director stating that driver Pietro Delli Ganti exceeded the maximum continuous driving period. After having summoned the Team Manager, they alleged that there was a mistake in the Driver ID and that Lorenzo Patrese start was in at 5:24:10, according to the request of correction of transponder submitted. After further investigation with video support, it was clear that there has not been a driver change and that it was still driver Pietro Delli Ganti in the car. The Stewards agree that this fraudulent conduct from the Competitor is an infringement against the principles of fairness in the Competition.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting, within the applicable time limits.
