

**From:** The Technical Delegate Report N° 10  
**To :** The Stewards of the Meeting

After the **RACE** we have checked the following elements on cars:

# 88, # 25, # 30, #66

- Weight car
- Restrictor seals
- Aero
- Engine settings in general
- BOP (Height)
- Tyres
- And any other element that may deem necessary
- Seals engine

The Cars #88 , #25 ,#30 are comply with current homologation file , seals engine Audi and BOP decisions.

The car #66 does not comply with the regulation. The car does not have the manufacturer's seals on the engine (art.26.3 and 26.5)
