Bulletin N° 8

Date: 15 September 2023
Time: 15:53

The Stewards notify all competitors and officials:

Location of Parc Fermé:

Parc Fermé after all Qualifying sessions (inc Q1A and Q1B etc) and after both Races will be in the respective pit garages, with each car nose pointed towards the pit lane, except for those cars selected for Scrutineering by the Technical Delegate. Selected cars must be pushed to the Scrutineering box by team members.

For the avoidance of doubt, cars that have taken part in the first periods of Qualifying, will be in parc ferme conditions whilst cars allocated to the second periods are on track.

Cars allocated to the second Qualifying periods must remain in their boxes whilst the first Qualifying periods are taking place.

Cars in the first Qualifying periods should be outside their boxes, nose out at 45 degrees prior to the sessions.

Whilst under Parc Fermé conditions, no car should be placed on skates.
