

BULLETIN No. 13

From: The Stewards
To: All Competitors
All Officials

Date: 15th September 2023
Time: 08:34 hrs

The Stewards notify all competitors and officials of the following:

Qualifying 1

Due to the likely difference in track conditions between the two scheduled periods of Qualifying 1, and in accordance with the caveat in Sporting Note #4, the Stewards have decided in the interests of fair competition that the format for Qualifying 1 will revert to a single 20 minute qualifying practice session in which all cars will participate. This session will be scheduled to commence at 09:00 hrs.

For the avoidance of doubt, the format of Qualifying 2 will remain as two separate periods of 10 minutes, subject to further review prior to the start of that session.
