

**DECISION No: 50**

---

**From:** The Stewards **Date:** 29<sup>th</sup> September 2023  
**To:** Herberth Motorsport **Time:** 15:10 hrs

---

The Stewards having received a report from the Promoter, having examined photographic evidence, summoned and heard from the competitor's representative, have considered the following matter and determine the following:

**No. / Driver:** 91 / Tim Heinemann

**Competitor:** Herbert Motorsport

**Session:** Post-Race Podium and Interviews

**Fact:** The driver did not comply with the requirements of the Graphical Charter of the Series

**Offence:** Breach of Article 22.5 and Appendix 3 of the Fanatec GT Challenge Europe powered by AWS Sporting Regulations

**Decision:** **Fine of €1000**

**Reason:** The driver appeared on the podium and in post-race interviews in overalls without the mandated Fanatic GT World Challenge patch and the driver did not wear the mandated Pirelli cap during post-race interviews. Having heard from the competitor's representative it is explained that the patch had been attached at the start of the race but subsequently become detached and that the driver put on the cap as soon he could. However, the Stewards determine that this is a breach of the above regulations and impose a fine of €1000 for this first such offence by this competitor, in accordance with precedent.

In accordance with the delegation of authority to act in relation to this matter from the Stewards at the Nurburgring event (Decision No. 45 refers), this current Decision is made by the Stewards at the subsequent Barcelona event.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
