

BULLETIN 1 from the race director

To all team and officials,

During the team manager briefing, talking about the changes in the 2024 championship regulations, I raised a change in the Pre-qualifying saying that each driver must perform 8 timed laps. I was a mistake; it is 8 timed laps per car as written in the 2024 FANATEC GT WORLD CHALLENGE Europe Sporting regulations. Art 41.7.3.
