BULLETIN No. 05

From: The Stewards	Date: 16 May 2025
To: All Competitors All Officials	Time: 14:55 hrs
	Number of Pages: 2

The Stewards notify those concerned of the following:

Cars Group Picture on track Procedure:

GENERAL INSTRUCTIONS

Drivers are requested to drive the cars, engine on, one person per car, no safety equipment needed. When cars will be on track, the max speed of 50Km/H must be respected, both on way to the photoshoot and to the way back after the picture – please inform your drivers to respect the limits, infringement will be reported to the Stewards.

SELECTED CARS

The following cars need to present themselves at pit exit in the following order:

1. #48 Winward
2. #93 Ziggo Sport Tempesta
3. #59 Garage 59
4. #97 Rutronik
5. #992 Paradine
6. #27 Sainteloc
7. #63 Grasser
8. #64 HRT
9. #24 Steller
10. #35 Walkenhorst

At 18.05 selected cars in fast lane at Pit Exit.

All the remaining cars can align at Pit Exit as soon as the first 10 are out, the convoy will follow the SAFETY CAR, doing one lap and aligning in the straight line, to be subsequently positioned at T1.

Once all cars will have reached the standing point (start/finish line), they will be called one-by-one to align for the picture.

Cars will be aligned helped by SRO Logistic staff.

As soon as all cars will be positioned, drivers are requested to leave the cars and move on the side of the track.

END OF THE SHOOTING

Cars will be called to leave the location for their way back, back to Pit Lane following the Safety Car.

If the picture will finish after 19:00 (we will try to avoid this) – there will be engine silence and cars will have to be pulled by quads back to the pitlane.

[Bulletin continued on page 2]

Only drivers will be in the car, and for no reason more than one person per car is allowed. Infringements will be reported to the Stewards.

Again, max speed needs to remain 50km/h.

If for any reason a car won't be able to attend the mandatory photo shooting, that car will have to remain under Parc Fermé conditions and a formal email for this request must be sent to the Team Relations.

Recovery Exercise:

The Recovery Exercise will take place on **Saturday, 17th of May at 08:00hrs** outside pit lane box #8.
